Smart City has the exclusive contract to install all voice and data communications cabling. This includes all cabling to booths, **within booths (under carpet and flooring)** and from booth-to-booth. Fiber optic, twisted pair (Category 3, 5 and 6), coaxial and all other data and telephone cables fall under Smart City's area of responsibility.

- ❖ **Labor cost** - \$125.00 an hour per technician, with a one hour minimum.
- ❖ **Floor work** - Estimated at 4 cables per tech hour (this is a conservative estimate assuming normal circumstances with timely request for service and a complete floor plan received at least 5 days before show move in. Charges could be greater than our estimate for a variety of reasons such as floor work was ordered late, carpet had already been laid, obstructions / physical structures and other miscellaneous issues that can make cabling more labor intensive and time consuming).
- ❖ **Smart City Cat 5 Cable** - \$50 each (100 ft. cable)
